What is Fruit-Eze™ Regularity Blend?

Fruit-Eze™ Regularity Blend is a clinically proven, safe & effective laxative alternative. It is a thick jam of prunes, raisins and dates. That's it! Nothing else added. The result of over 10 years of research, development and testing, Fruit-Eze™ Regularity Blend is a highly concentrated and easily assimilated source of soluble and insoluble fruit fibers specially processed to help you to Get Going ... Naturally™. > [Results of clinical trials at www.fruiteze.com](http://www.fruiteze.com)

Testimonials from www.fruiteze.com

"Fruit-Eze is great! I have never used anything that worked so quickly and so well. . . *The only product we have found that keeps my child regular.* . . My mother was off all her softeners and laxatives after less than two weeks. . . *Thanks for your excellent service.* . . It ended life long constipation! . . *The only thing that keeps my 93-year-old father free of impaction* . . . Fabulous product. . . *Made a huge difference in my life.*"

Is it a Laxative?

Fruit-Eze™ Regularity Blend is a safe and effective laxative alternative.

- It not addictive and does not damage the colon.
- It is non-pharmaceutical . *no chemicals, no stimulants or herbs.*
- It does not interfere with medications.
- It works with your body gently, naturally and gradually over time to help heal and retrain your colon.

Results: Stool texture improves for most people within 2–7 days. Regular BM's usually occur within 2–7 days of improved texture.

How does Fruit-Eze Promote Healthy Regularity?

- It creates soft stool
- It strengthens intestinal muscles
- It promotes a healthy colon lining
- It nourishes intestinal flora

IBS • Autism • Parkinsons • Down Syndrome • Diverticulosis • More
